

## God's Law is A Gift

How did you learn right and wrong?

God, in his grace, gave us the law so we weren't left guessing.  
(Romans 7:7)

What is God's law for? (Deuteronomy 10:12-22)

- To KNOW our God
  - Love what God loves and hate what God hates
- For HUMAN FLOURISHING
  - For your good
- To be fulfilled by Christ who is GREATER
  - *Jesus Christ saved us by giving us the blessings of the covenant by taking the curses of the covenant - Tim Keller*

Following God's law must be a response from experiencing grace, he WILL NOT accept it otherwise.

How do we cling to God's law? (Hebrews 12:1-2)

- THROW OFF everything that hinders
- CUT sin out of your life
- Run off of JOY
